

Fox Cities/Green Bay EWGA Chapter 2007 Golf Skill Levels

The skill levels identified below should be used to assist golfers in determining what leagues/clinics would be appropriate for their golfing ability. Skill levels should be used as a "guide" when choosing your leagues/clinics. **Please choose the category that best fits your level.** This is a guide; not all items need to match your level. If you have any questions regarding a particular league/clinic for your abilities, please contact the Leagues Chairperson or email us at leagues@ewga-foxcitiesgreenbay.org
