

## MENTORS NEEDED!

Are you an experienced golfer who knows how to get around the golf course effectively, regardless of your golfing skill?

Do you have an understanding of the basic rules (such as where to tee off, how to mark a ball, etc.)?

Are you comfortable with pace of play and etiquette on the golf course?

If so, you may be a part of helping a new golfer find the fun and enjoyment that golf and EWGA has brought to you! A mentor is responsible for helping a new golfer get comfortable on the course and learn about basic rules, etiquette, pace of play and how to participate in EWGA!

By taking a new member out on the course and being available for her questions and concerns, you will receive:

- **25% discount for one year on all Swing by bette & court products purchased from EWGA affiliate ForeSport.com**
- **Unique S.W.I.N.G. cap**
- **Chance to win a \$200 shopping spree from Swing by bette & court**
- **Satisfaction and reward of helping a new golfer get hooked on this game we all love!**

## Interested in Having a Mentor?

The S.W.I.N.G. mentoring program offers an opportunity for a new golfer to have a "golfing buddy" to help make that transition from instruction to playing golf. This program is open to all EWGA members, provided you've been through a basic level of golf instruction.

An EWGA mentor will help you get around the golf course safely and answer questions about etiquette, basic rules and the other nuances of the game in order to build your confidence and comfort in the golf course setting. Though the mentor is not there to help you with your golf swing, she can help you feel more comfortable playing golf with others on the golf course.

Benefits of the S.W.I.N.G. program are:

- **A "golf buddy" to help you make the transition from golf instruction to playing golf and familiarize you with EWGA.**
- **Introduction to other EWGA members**
- **25% discount for one year on all Swing by bette & court products purchased from EWGA affiliate ForeSport.com and a unique S.W.I.N.G. pin.**
- **Chance to win great prizes!**

### Mentee Testimonial

*Sandy Pike – Middle Tennessee (Nashville)  
"My mentor was professional, patient and personable. She filled me in on the etiquette of golf as well as the rules. In the process, she scored a hole in one. She said it was her first ever. What a moment! I am surely glad I got to see it."*
